Just Passing Through . . .

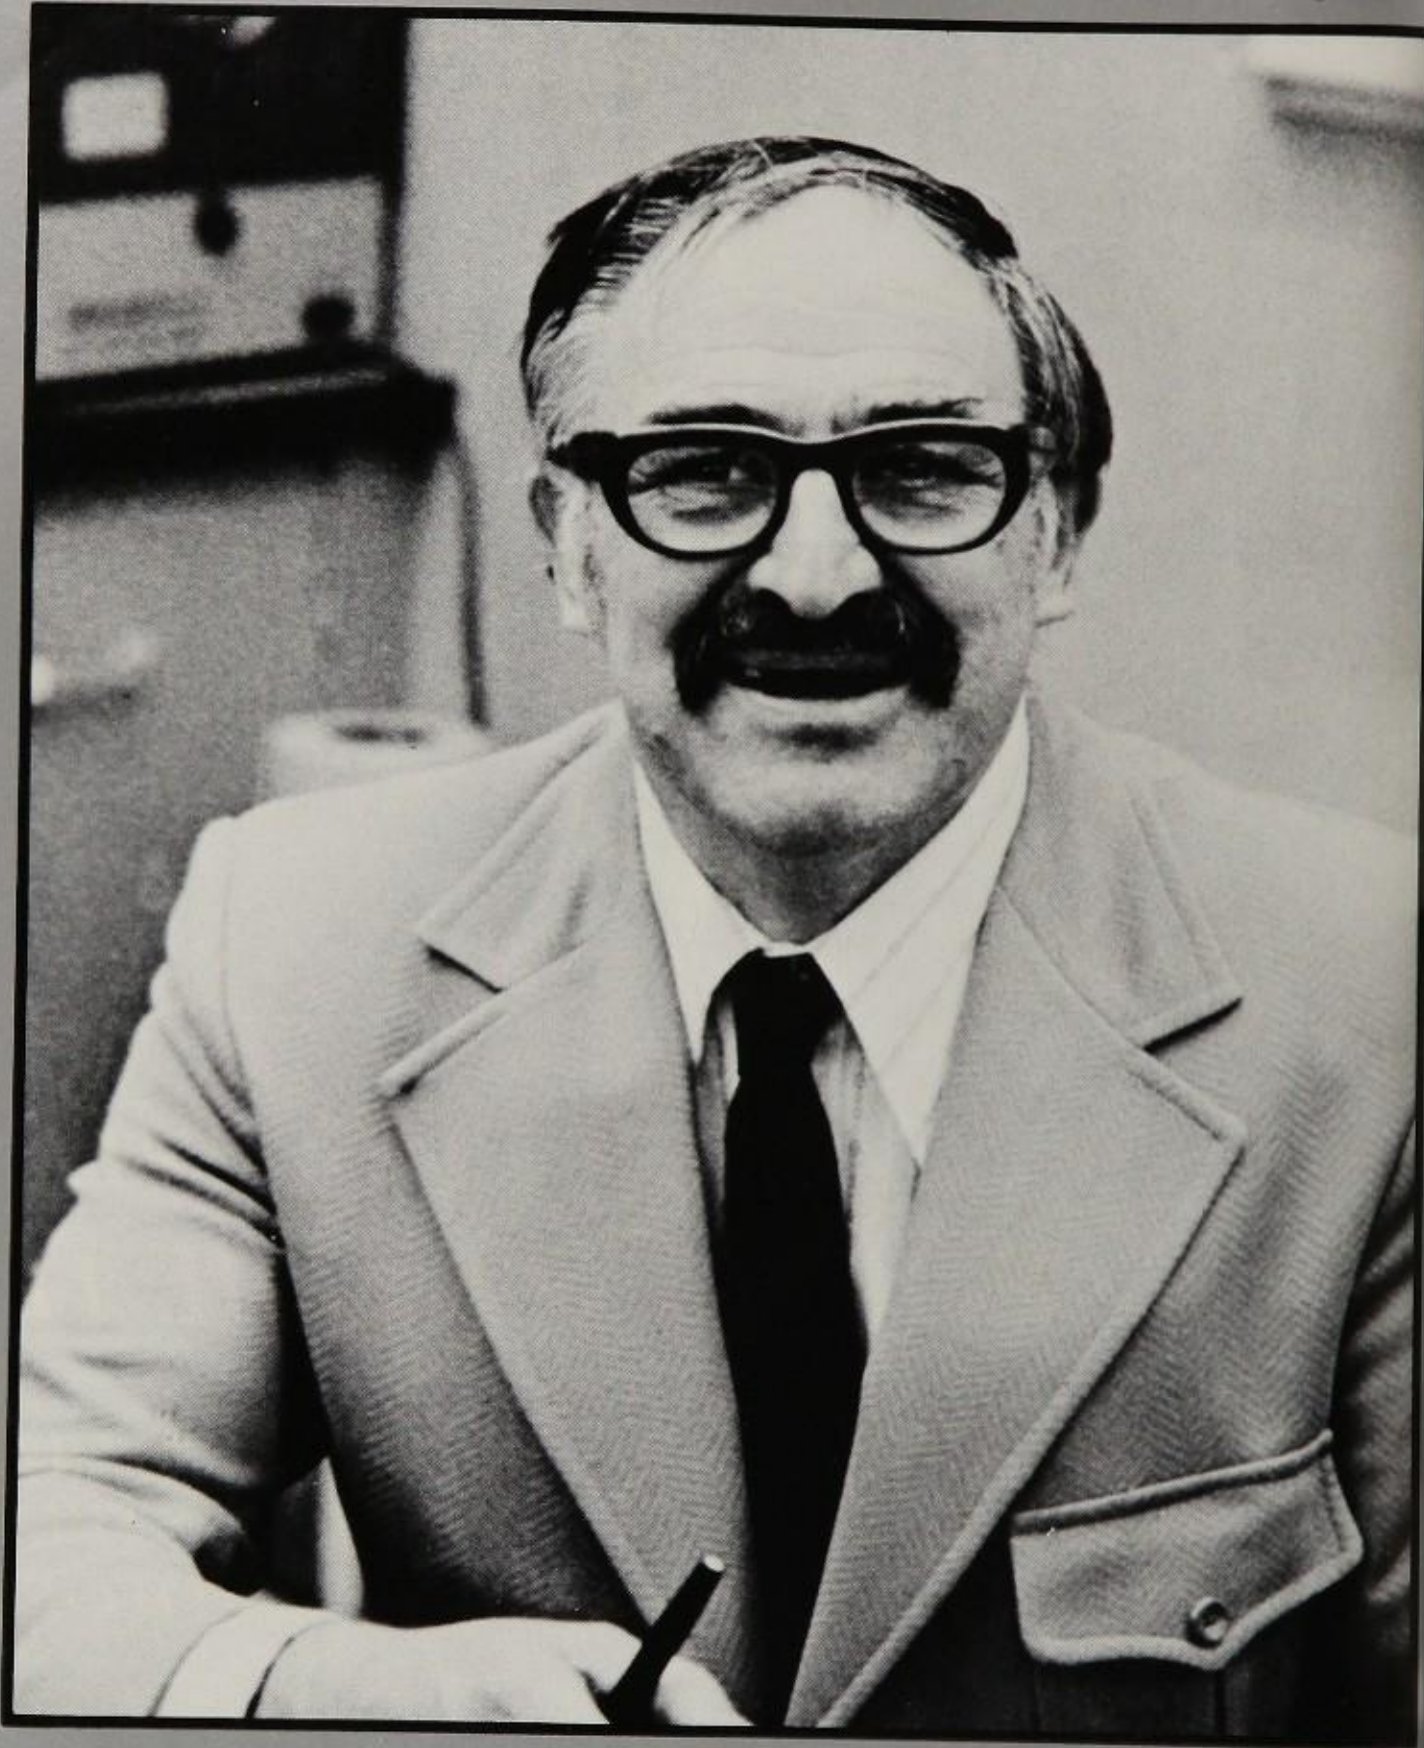

A black and white photograph showing the silhouette of a person standing on a dark, grassy hill. The person is facing away from the camera, looking towards a bright, cloudy sky. The silhouette is dark and solid, contrasting sharply with the lighter sky. Some sparse vegetation is visible on the hill to the right of the person.

His Dedication Assisted in Special Ways

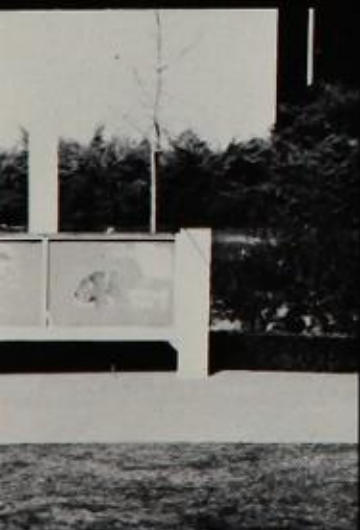

MR. NOEL MARIANO

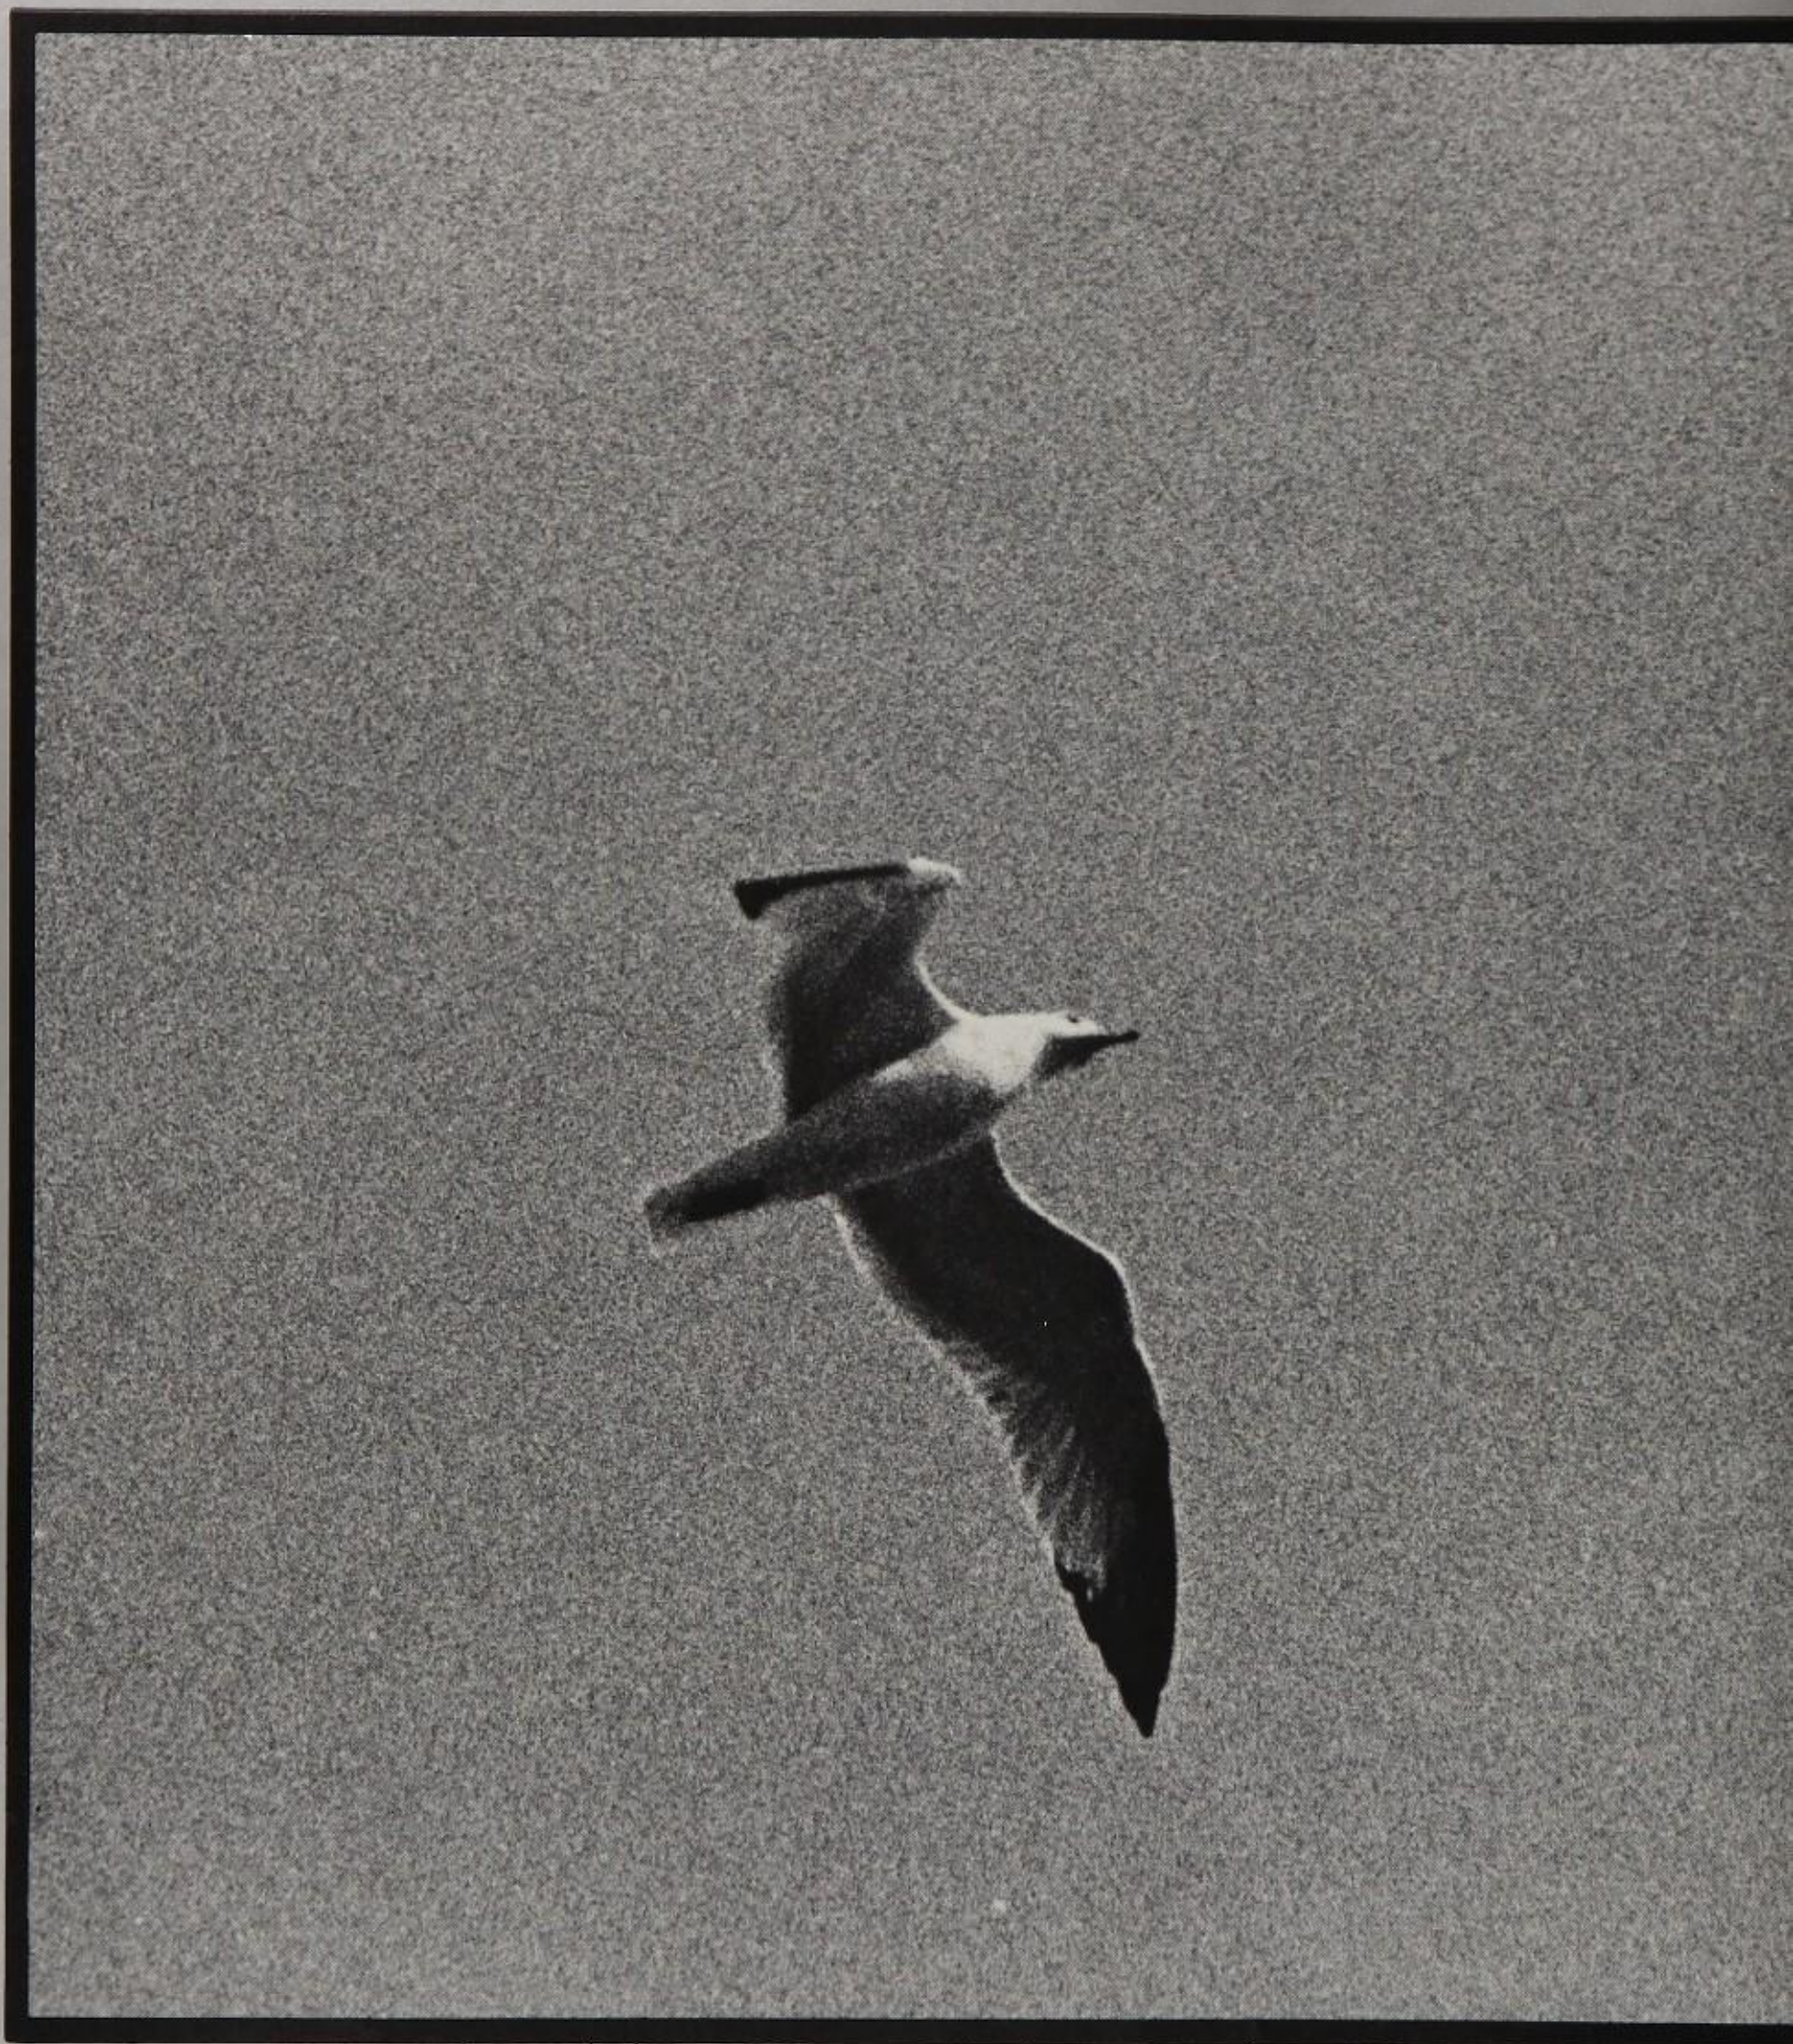

The 1974 Pioneer Annual Staff is proud to dedicate this year's Annual to a truly dedicated man. Dedication, in the classic tradition of the teaching profession, is a quality which the Class of 1974 truly appreciates. This man brings a fresh meaning to the word, Teacher. His unique combination of enthusiasm and humility, has made school more meaningful for those who met him on the road to graduation. The friendly attitude with which he greets each class makes the whole day brighter and his words of wisdom are confided unselfishly to those who could profit most. For his sincere, heart-warming involvement with students, the 1974 Pioneer Annual Staff dedicates this book to a man loved and never forgotten, Mr. Noel Mariano.

I am forever walking upon these shores,
Betwixt the sand and the foam.
The high tide will erase my foot-prints,
And the wind will blow away the foam.
But the sea and the shore will remain
Forever.

— Kahlil Gibran

Old friends, old friends
Winter companions,
The old men
Lost in their overcoats,
Waiting for the sunset.
The sounds of the city,
Sifting through the trees,
Settle like dust
On the shoulders
Of the old friends.

Can you imagine us
Years from today,
Sharing a park bench quietly?
How terribly strange
To be seventy.

Old friends,
Memory brushes the same years.
Silently sharing the same fears.

— Paul Simon

I wish this life would never end.
But when at last I got to go.
Who knows, who knows?
I think my human race will carry on.

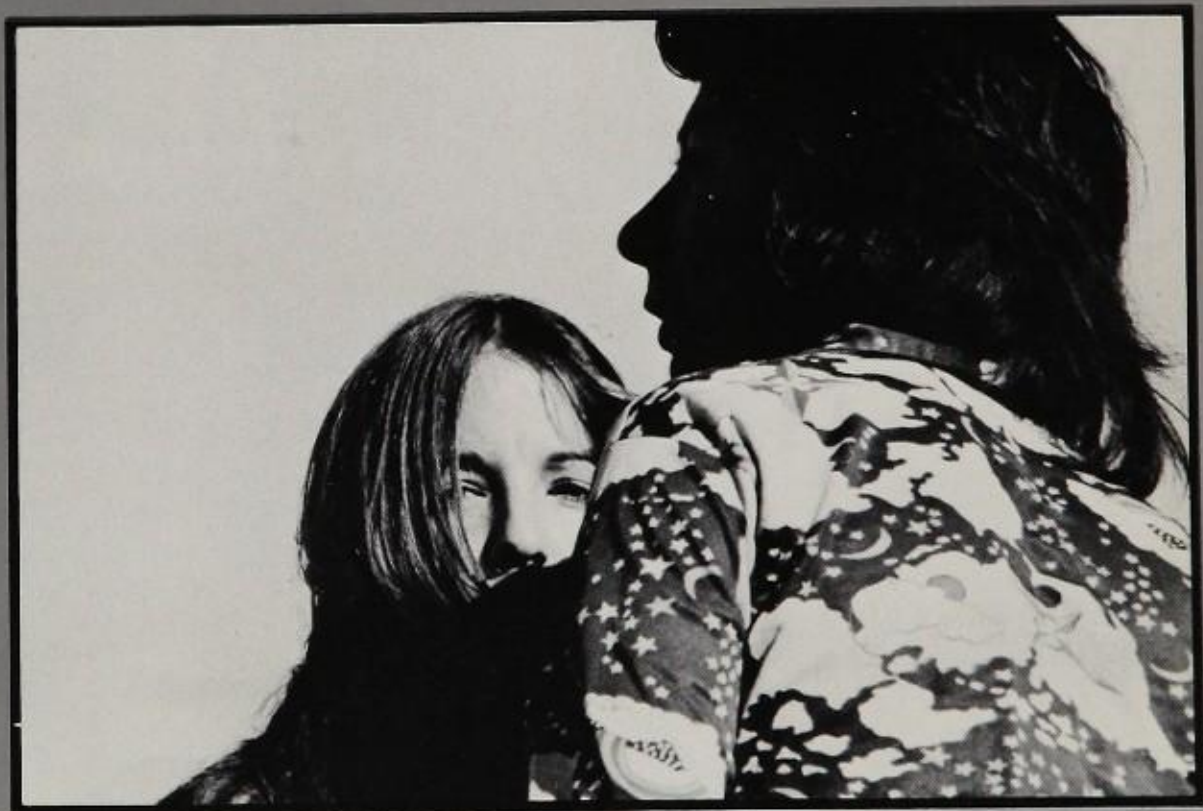

I wish this good green earth would never end.
But when at last it burns or freezes cold,
Who knows, who knows?
I think our sparkling galaxy will keep a-glowing on!

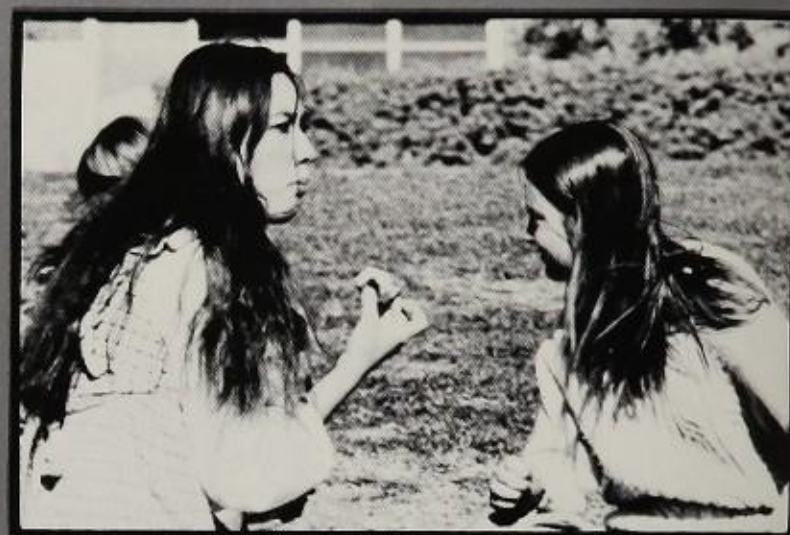

I wish this loving would never end.
But at last we go to sleep,
Who knows, who knows?
Some day, some night,
We'll meet again.

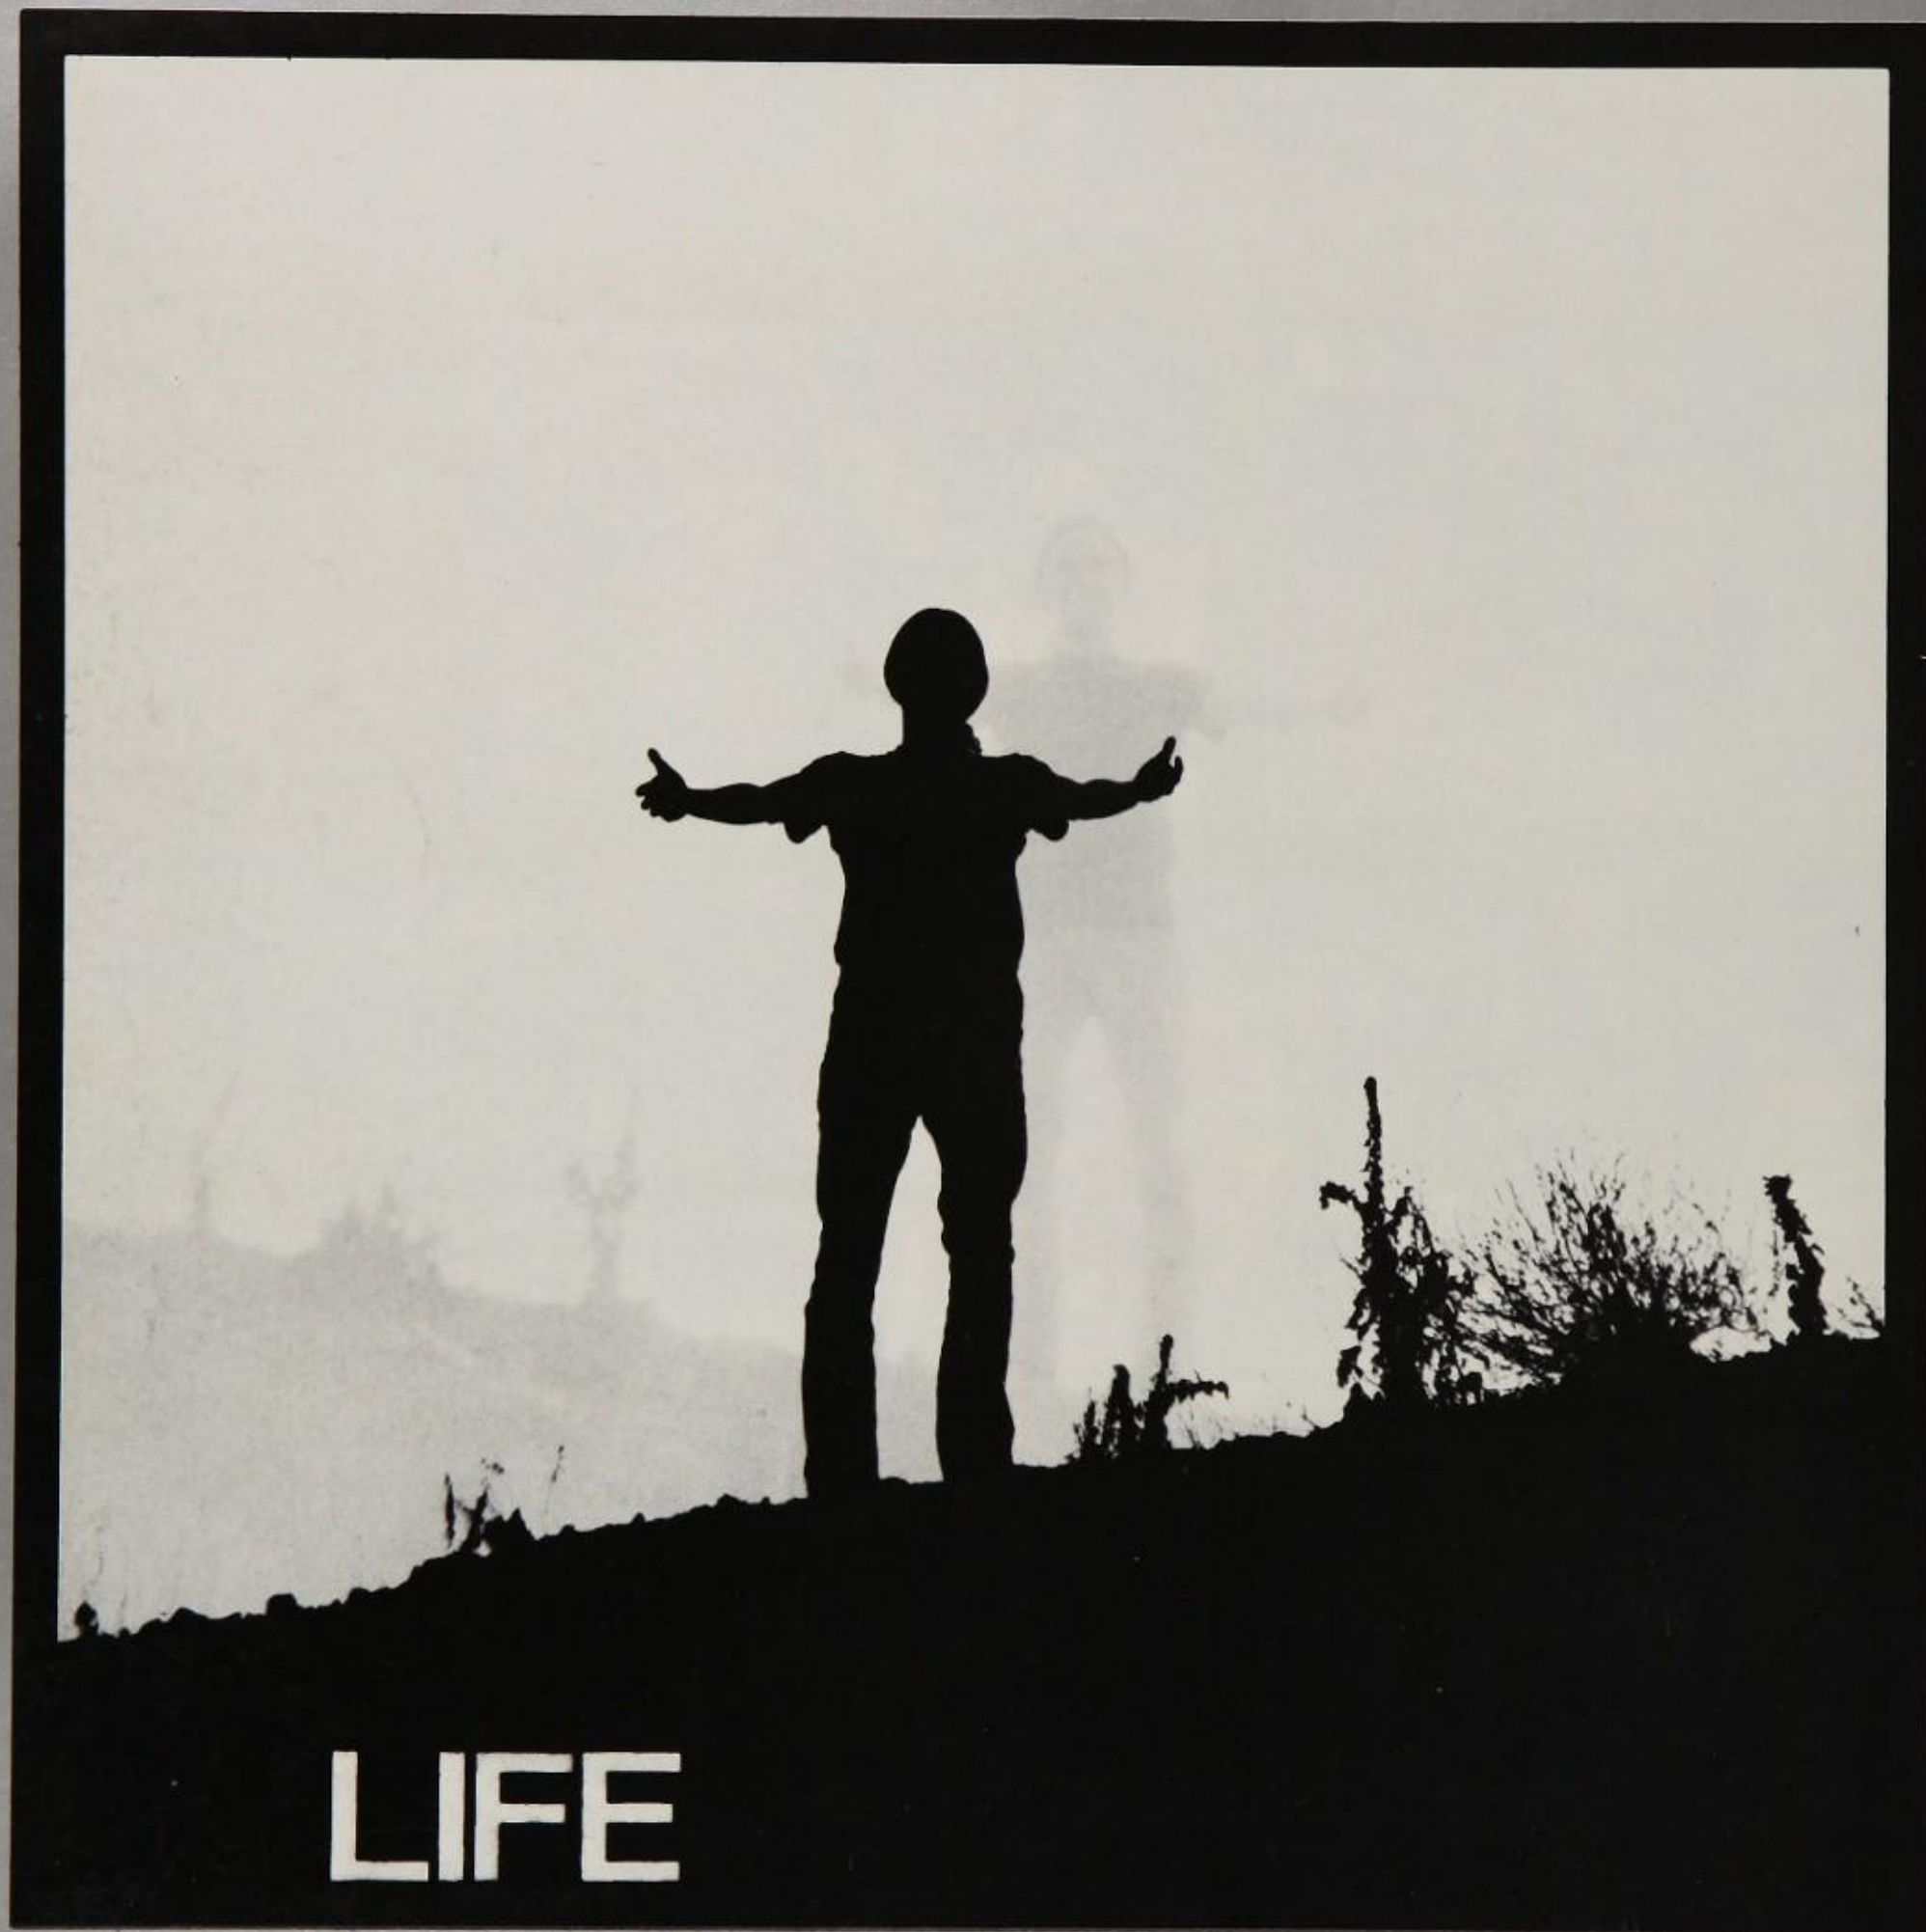

Then who knows, who knows?
Our star might glow again.
Who knows, who knows?
Our earth might form again.
Who knows, who knows?
It might turn green again.
Who knows, who knows?
Our race might rise again.
Who knows, who knows?
You and I might meet again.

— Pete Seeger

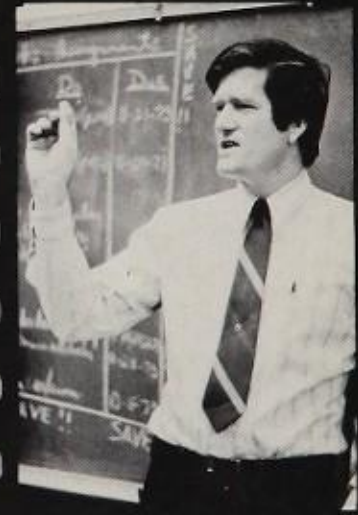

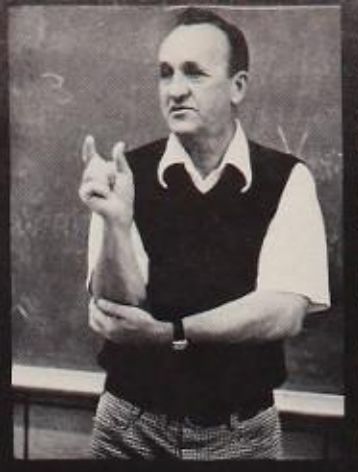

LIFE

And all the voices, all the goals, all the yearnings, all the sorrows, all the pleasures, all the good and evil, all of them together was the world. All of them together was the stream of events, the music of life.

— Siddhartha

Persistence of Effort Was Honored

DAVE JANKE

Dave Janke has made most of his contributions to the school and the community from behind the scenes. You won't find a harder worker on the campus. For three years Dave has been a member of the Key Club, serving as treasurer during his junior year. During this time, the Key Club has been named in the top one percent of all clubs in three western states in achievement. Dave has worked hard on every Key Club project; his largest contribution was in the organizational work he put into the trip to Arizona two years ago when he and other Key Club members delivered food and clothing to needy Navajo Indians in Eastern Arizona. As ASB Director of Finance, Dave has been responsible for operation of the Finance Committee and the regulation of the ASB budget. An important part of Dave's life is his dedication to the work of the church of which he is a member, Trinity Lutheran. He has served as the President of its youth group. Also, Dave has gained valuable experience as a member of the Ventura Fire Department Cadet Corps. Good luck, Dave.

SUE ADAMS

Sue Adams has served on the Pep Squad for three years. Actually Sue has almost been the Pep Squad. She was treasurer for one year and served as head of the Pep Squad this year. As an energetic and loyal spirit booster she attended Spirit camps for three summers during high school and was a member of the Simi Squad which was voted the outstanding group at the Santa Barbara Spirit Camp and was invited to compete in the Far West Regional Championships for spirit groups. Sue has become well known to all Pioneers this year as the leader and emcee at the Pep Rallies; but she has been well known to many students throughout her career here. She was very active in the Junior Class and has been an important member of the Publicity Committee of the Student Council this year. Sue has been accepted at UCLA and we wish her well.

ACTIVITIES

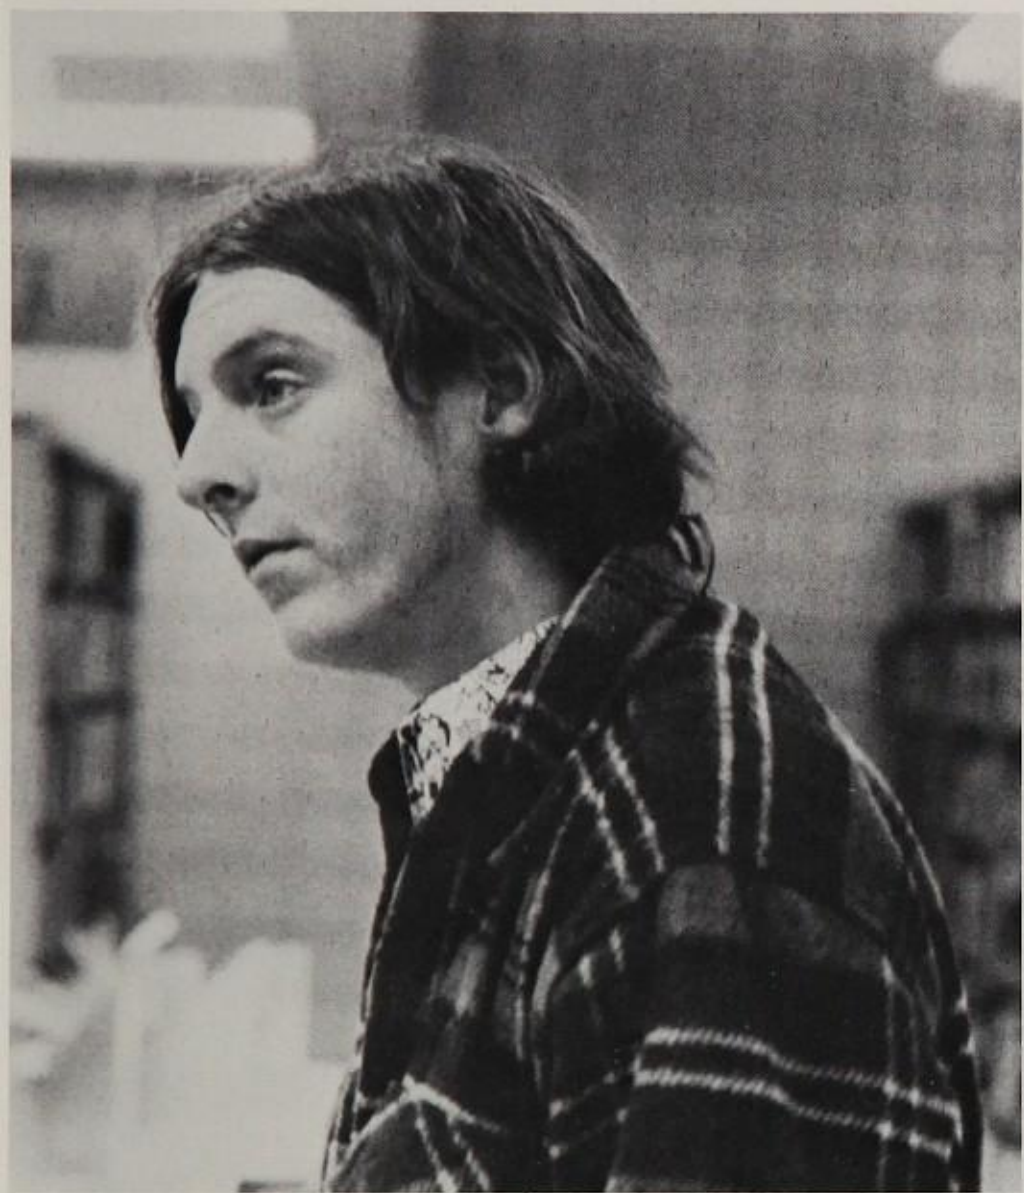

STUDENT SELF-SCHEDULING

The Choice Is Yours

Student Self-Scheduling, a new and successful registration procedure at Simi, has operated smoothly for two semesters. S.S.S. allows students a choice of classes, periods and teachers. Each student is responsible for planning and selecting his entire program. In this way students are more satisfied with their classes and teachers find there are fewer disruptions due to program changes. Over-all, self-scheduling is easier, better and more efficient . . .

FOOTBALL HOMECOMING

Everybody's Beautiful

The 1973-74 Football Homecoming held the theme of The Future and many different floats depicted various ideas of what the future may hold. The Junior Class won Sweepstakes for their float of computers and scientists. The Princesses were introduced at the exciting assembly and the Queen was announced at the game. Linda Mako was crowned Queen of Homecoming with Teri Torgerson, Val Klein, Kathy Kirnig, and Sue Adams as Princesses.

KARATE ASSEMBLY

The Art of Empty Hands

In 1956, Mr. Tsutoma Oshima, a former student of Master Funakoshi at Waseda University, established the first organized Karate school in the U.S. Through rigorous physical and mental training, one tries to attain a polished moral character as an ultimate goal.

"As a mirrors polished surface reflects whatever stands before it and a quiet valley carries even small sounds, so must the students of Karate render his mind empty of selfishness and wickedness in an effort to react appropriately toward anything he might encounter."

This is the meaning of "kara" or "empty" of Karate. The word "te" means hands, thus you have karate, an art of empty hands.

DANCES

Many a Friday Night

The Fall production of the Theatre Arts Department was the Pulitzer Prize-winning comedy "The Skin of Our Teeth," by Thornton Wilder. The play told the story of the typically American Antrobus family, and how they managed to escape from all sorts of dangers and disasters. The play was a wacky combination of many elements, and included things like dinosaurs, the Ice Age, a political convention, and assorted family troubles. Although the play poked fun at mankind's weaknesses, it's optimistic message was that somehow we have always been tough enough to survive, no matter what.

THE CHRISTMAS FORMAL

Mistletoe and Memories

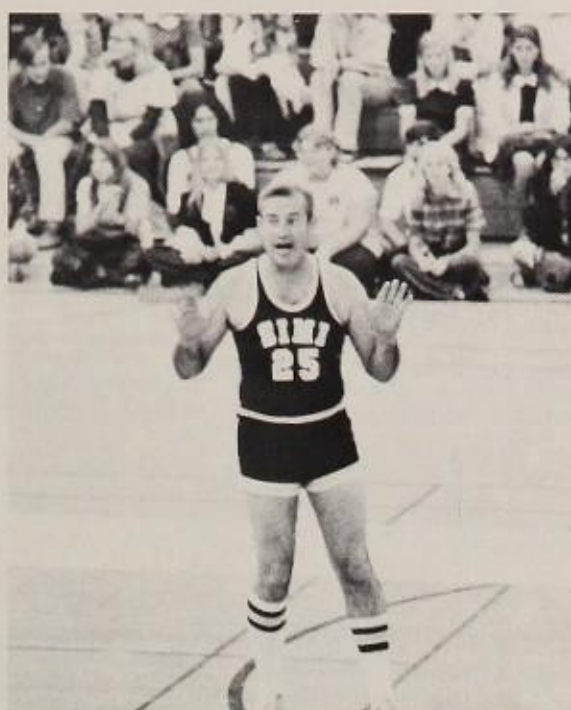

The Christmas Formal was presented, as usual, by the Girl's League. "Mistletoe and Memories" was selected as the theme. Mr. Joe Studer was Jolly Ole' Saint Nick and crowned Snow Queen Vana Gioseffi and Snow King Randy Owens. Also crowned by Santa were Princesses Valerie Naccarato and Saskia Estupinan and Prince Dave Janke and Prince George Dias. Music was provided by the Night Watchers starring Bruce Mann. A romantic mood was set off with a huge sparkling ball hung from the ceiling and a large, fifteen-foot Christmas tree decorated with beautiful hand-made ornaments.

DONKEY BASKETBALL

Thrills and Spills

At this year's Donkey Basketball game the students outdid the faculty again and beat by 2 glorious points. We had our first annual Donkey Court. Members of the Donkey Court were: Stuart Moffitt, Dave Morrison, Frank Sierra, Ray Wylie, Cheryl Petersen, Karen Kilgore, Jill Leonhardt, Mary Ellen Mitchell, and Vicki Scanlan. Ray Wylie and Cheryl Petersen were awarded placks for receiving the most votes. The Drill Team did an old hillbilly square-dance routine during the halftime break and the evening was a barrel of laughs for everyone — especially the donkies!

SADIE HAWKINS DANCE

Which Way to the Haystack?

The "Sadie Hawkins Day Dance" was sponsored by the Aesculapians in March. Hillbillies wearing plaid shirts, overalls, straw hats, pigtails and freckles, square-danced their way to marriage, haystacks and salami sandwiches. The Loyal Order of the Salami Sandwich was awarded to Greg Cox, hero for a Friday evening. The matrimonial rights were performed by the gun-fighting Reverend Rudiger who dispatched the blissfully wedded couples (to the nearest haystack) to enjoy the sounds of "A Taste of Soul."

Standing: Jeanette Daniels, Ruth McIntyre, Bev Corellez, Mrs. Williams, Saskia Estupinan, Kim Thomas, Debbie Porter, Erica Adam. Kneeling: Renee McIntyre, Cindy VanKummer, Cathy Roth, Bobbie Early. Front: (Future coach) Tanja Williams.

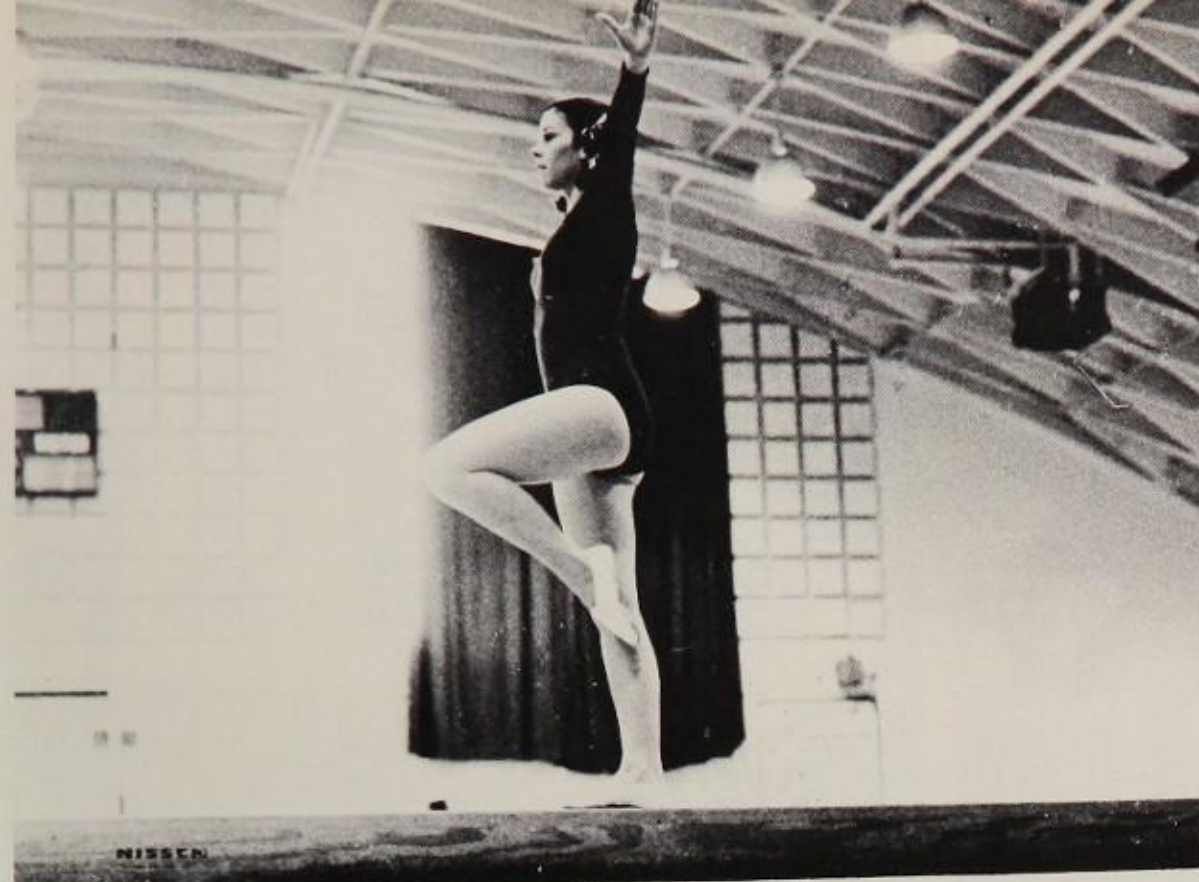

This is the first year that Simi High School has had a Girls Cross Country Team. Under the instruction of their coach Angie Williams, the Varsity team ran 1½ miles while J.V. ran 1 mile. Simi won 2 out of 4 meets in which they competed. Simi finished 3rd in the finals losing by only 4 points to Royal who took 1st. We would like to congratulate all those who participated. At the fall Sports Award Banquet the following trophies were awarded:

Jeanette Daniels: All Around J.V.

Ruth McIntyre: Most Inspirational

Debbie Porter: Most Valuable

Erika Adams: Most Improved

GIRLS' GYMNASTICS

Balance, Grace . . .

In 1974, the Girls' Gymnastics Team has successfully completed their first year of league competition. The team joined the Sea Winds League and competed against Royal, Thousand Oaks, and Agoura. The First round of competition was based on compulsory routines. The second round was optionals, with each girl making up her own routine. There are four events in girls' gymnastics: balance beam, floor exercise, vaulting, and uneven bars. If a girl competes in all four events, she is considered an "All-Around Gymnast." We had two strong competitors in the area, Julie Gardner and Laurie Palmer. We hope to have an even better year in 1975 with two-thirds of our team returning.

Back Row: Gail Rudy, Julie Gardner, Laurie Palmer, Jani Lindeen.
Middle Row: Carol Lucier (Advisor), Denise Hilbert, Michele Gardner, Barb Tevber, Aceile Shaban.
Front Row: Debbie Purdum, Nancy Blenderman, Audry Munchow, Mary Fleming, Jackie Tillman, Donna Carey (Manager), Greta Gibson.

The 1973-1974 Girls Tennis Team completed this years Tennis Season with three successful wins against Oxnard, Channel Island, and Camarillo. At the Sports Banquet in January, special awards were given to the Most Valuable Player, Julie Templeton; Most Improved, Pam Micheals; and Most Spirited, Natalie Martinez. These awards were voted on by all the girls on the team. We have high expectations for Simi next year, since they will be playing a different league and we hope to be number one.

GIRLS' VOLLEYBALL

Simi Nets Results

Simi High opened their volleyball season in September with Mrs. Wendy Weston as their coach. The girls played in the SeaWinds League, which included Agura, Buena, LaReina, Moorpark, Royal Santa Clara, and St. Bonaventure. On Saturday, November 17, Buena and Royal hosted the League Tournament in the Simi High Gym. Eight schools were involved with Buena taking first place. The highlight of the season was the Royal-Simi match, in which Simi won two games to one. At the Sports Awards Banquet in January, the following girls received honors: Jeanne Brainerd — Most Valuable, Lisa Westrup — Spirit Award, Kathy Daley — Most Improved, and Kittie McMullen — All Around Junior Varsity.

Standing: Shelly Burnett, Diane Patterson, Lon Wokal, Jeanne Brainerd, Lisa Westrup. Kneeling: Linda Horsford, Teri Kazcoha, Cindy Horseford, Laura Navarro, Vonda Van Sloten, Lisa Richards, Kittie McMullen.

Up, Up, and Away

1974 was a good year for the Simi High Girls' Basketball Team. Although they won just three games and finished sixth in the nine team Sea Winds League, the statistics showed a vast improvement over previous years. This was the highest scoring team in Simi's history. Most of the games that were lost were close, and the final score decided only in the final minutes. The team was lead by Captain Julie Templeton. Julie was leading scorer and was selected to the Sea Winds All-League Team for the second year in a row. Jeanne Brainerd and Cathi Calderon waged a close battle for second and third in scoring. Cathi Calderon was the leading rebounder, and Lisa Westrup led in the assist department. Julie and Cathi Calderon shared honors as "Most Valuable" members of the team. Kathy Buehler was voted "Most Improved" and Mary Ellen Bucher received the "Spirit Award."

Standing: Ruth McLuntyne, Sharon Steward, Kittie McMullen. Kneeling: Mary Ellen Bucher, Cathi Calderon, Jeanne Brainerd, Kathy Buehler, Ann Quintanar. Sitting: Liz Colloton, Kathy Daley, Lisa Westrup, Michelle Buehler, Sue Willard. Missing: Julie Templeton.

Going into their 12th year, the girls' track team is looking forward to a much improved season. Winning their first home meet with a score of 57-2 the girls hope to post many wins as well as break the existing school records. This year the team is running as part of the Seawinds League with the championships being held at Simi High in April. The girls have also been invited to many Invitational Track meets including the televised Arcadia Invitational on April 20. Depending on individual performance several girls will participate in the CIF State Championships being held for the first time this year. Absent with Injury: Debbie Porrté. VARSITY FOOTBALL

The Season: A Long One

The Simi Football Team encountered a very rough year. They had to overcome a plague of injuries all season. The bright spot offensively was the passing of Tony Wyman, running of Bob Skube, Chico Varble and Alex Oscoy. Mike Klenck was the standout in the punting department. The defensive team had many strong games. They were spearheaded by Seniors Norby Brown, Jim Spencer, Don Gonser, and Juniors Don Schilling, Richard Terry, Scott Stanaway and Mike Klenck. Many Juniors and a few Sophomores saw action this past season. This experience should give the Pioneers a brighter outlook for the 1974-75 season.

Coaches: Matt D'Errico, Cliff Farrar, Sam Ruvolo, John Elifson, Brian Husted, and John Molnar, Frank Caldron, Mickey Winer, Mike Klenck, Bob Skube, Don Schilling, Ken Kishi, Jim Skelcher, Robin Fike, Shawn Wightman, Terry Richard, and Bill Jones. The 1973-74 Sophomore Football Season was a disappointing one, (0-9-0). The young Pioneers found it difficult establishing their offense and defense. During the last few games, the team displayed some of the skills necessary for them to get onto the winning path. Coaches Terry McGrath, Tom West and Loreu Marsters were impressed by the "never die" attitude of the team. Pacing the squad were: Gary Taber at quarterback, Ron Robbins at fullback, Dan Richwine at guard, Jeff Jones at tackle, Rich Samuelson at halfback and Chuck Dupuis at middle guard. With continued development of these ballplayers, Simi's future looks brighter.

The tradition at Simi Valley High School in Cross Country is win. Again the Pioneer Squad followed tradition but fell one win short of their goal. The team dropped their final meet to Royal High School. If it's any consolation, it is not a total disgrace to have your only loss come by way of the C.I.F. Champions — Royal. The team was led by Gregg Cox, Doug Higgs, and Bill Jacobs and then a close grouping of Don Larson, Dave Polino, John Meadows, and Mark Hernandez. All of these boys were vital to the winning season!

JUNIOR VARSITY

The Pioneer Junior Varsity Cross Country Team was not to be outdone by the Varsity. They also suffered only one defeat which left them in Second Place in the Marmonte League standings.

SOPHOMORE

The Sophomore Team was lacking in numbers, but the young men made big strides of improvement throughout the season. Jeff Pratt and Kirk Carrington were the outstanding performers and would be rated among the top Sophomores in the League.

Our Varsity Basketball Team completed the 1973-74 season with a 11-13 record. The Pioneers were paced by All-League forwards Dave Hanrion and Bill Johansen who averaged 13.0 and 10.3 respectively. Johansen led Simi in rebounding pulling down 11.1 per game. Rod Wickstrum, who averaged 9.1 in league, and Pat White started at the guard spots for most of the season, and Kevin Minter filled the fifth spot as a starter. Other Pioneers who saw action were guards Ed Gonzalez, Bob Manning, and Rusty Waters; and forwards Rick Campbell and Russ Conley.

The 1973-74 Varsity Wrestling Team compiled a 7-6 record. They finished third in the league standings. The highlight of the season was their superb effort in defeating "cross-town" rival Royal 28-22. This was indeed an accomplishment for Simi's young men as Royal won the league championship with Simi High School their only loss. It is noteworthy to mention the individual accomplishments of four of our wrestlers who qualified for C.I.F. competition. These young men are Jim Spencer and Stuart Moffitt, both taking first places; and Herb Leach and Bill Jones, placing second in their divisions. Gordon Spencer, Nick Virzi and John Sinclair placed third to make the alternate spots.

They managed to overpower their first five teams losing only to T.O., Newberry Park and Oxnard, coming back with a win over Agoura. Star swimmers for the Pioneers were Geoff Dean, Bill Brown and Rick Quinlan. Each qualifies with outstanding C.I.F. time standards. Simi Valley High School's Tennis Team returned 8 Varsity Lettermen this year and looks forward to a most successful 1974 campaign. The Varsity completed the pre-season with an eight win, one loss record and opened the league with two consecutive wins over Camarillo and Oxnard. Outstanding Varsity players include captains Dave Morrison, Don Larson, with Ed Hoff, Larry Sanders, Jeff O'Neal, Frank Wurtz, Phil Heath, and Mike O'Neal rounding out the Varsity lineup.

The 1974 Junior Varsity edition of the tennis team has also been tough, coming off an undefeated 9-0 pre-season. They're working toward an undefeated season against Marmonte League competition. We look forward to a strong showing this year and in the future.

THE 1974 PIONEER ANNUAL STAFF

It's What's Inside That Counts!

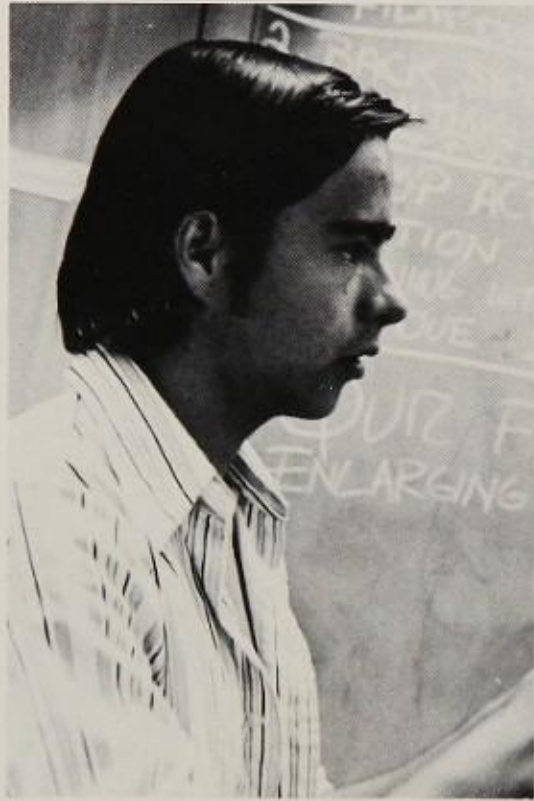

The 1974 Pioneer Annual Staff has been dedicated to producing a truly unique record of all activities of the Student Body and Faculty. We have been particularly concerned with special effects through photography. Hopefully, the quality and composition of these pages will give each of you a personal memory of your participation in the growth of Simi Valley High School.

It has been my privilege to have been Co-Editor of the 1973 Pioneer Annual and Editor of this 1974 Pioneer Annual. For the combined cooperation, time and effort of all those with whom I have worked — Administrators, Faculty, each and every student who in any way contributed to the completion of this book, I give my grateful thanks. Especially, I must commend the Annual Staff for their patience in giving me the confidence to accept this responsibility.

Aesculapians' is a girl's service organization whose main purpose is to serve the school and community. Various activities this year have included the Christmas Card delivery service, the Homecoming and Valentines Day flower sales, service at many of the school's functions, and the annual Sadie Hawkins Dance, one of the major dances of the year. This year the Mary Kane Memorial was completed. The foundation was poured in 1972, and this year the structure was finished. It is dedicated in memory of Mary Kane, a former member of the club.

PROMETHEANS

No, this isn't a picture of the Boys' Glee Club. This is a picture of the Promethean Society. The Promethean Society is a school service club, not unlike the other service clubs on campus. Only more Bizarre. During the year, the Promo's (that's with a P.R.) kept things lively on campus. First, there was the First Annual Promethean Society Icker Fight, and then we followed up with Whipped Cream Sculpturing. We did something good for the campus, too. We painted the Prom Bulletin Board and Clock, and tried to get it somewhat usable. Well, I guess that about does it, so turn the page clown.

STUDENT COUNCIL

Important Responsibilities

Each year the Student Council has the important responsibilities of approving the annual ASB budget, approving the activities and fund-raisers of the clubs and organizations, as well as planning over-all school events, such as the Pioneer Festival and the student body elections. The first major event of the year was the highly successful and enjoyable "Leadership Camp" at Frazier Park the weekend before school opened. About sixty club presidents, team captains and other persons in positions of leadership participated in the three day workshop. Members of the Student Council and many students of the school were divided on the controversial issue of a new Constitution which would eliminate the "Cabinet," the committee of councilmen-at-large, and return to a more traditional government with a stronger and more popularly elected Student Body President.

Keyettes are a girls' service organization sponsored by the Key Club and Kiwanis of Simi Valley. The Keyettes is open to all Sophomore, Junior or Senior girls interested in developing initiative and leadership. Under their new advisor Mrs. Jenny Stout the Keyettes have worked hard this 1973-1974 school year by serving at the football banquet, sponsoring the Annual Easter Bundle Sale, Christmas toy drive, and Mardi Gras Dance. The Keyettes work also expands to Community Service, including entertaining the children from Garden Grove Orthopedic School at the County Fair. The Keyettes will continue to provide time and services to help others.

KEY CLUB

Par Excellence

Scott Franchino, John Speer, Chris Olsen, John Collandra, Dave Janke, Ron Rand, Ray Wylie, Dave Morrison, George Sasser, Mark Mako, Kevin Reardon, Tom White, and Frank Rudiger.

From time to time the Key Club has sponsored several helpful activities for the school and community. We have ushered at dances and plays throughout the year. We, the members, are a joyous bunch. We have fun, not only while we work, but also during amusement trips that have been part of our history. Our president, Ray Wylie, has led us through a regeneration. Ray has kept the club going. Although this has not been the clubs best year, it shows that the Key Club can continue as long as there are students who are par excellence.

AMERICAN FIELD SERVICE

It's a Wide, Wide World

The American Field Service Club, usually referred to as A.F.S., annually supports a foreign-exchange student at Simi Valley High School. Although Saskia Estupinan, our student from Ecuador is on the A.F.S. exchange program, there are many other foreign students also here this year. A.F.S. sponsors many activities throughout the year, some of which are: International House Luncheons; fund-raising sales such as this year's valentine candy sale; short-term student exchanges with other schools, and participation in the Pioneer Festival. There are also many holiday parties where we introduce each other to the different traditions of other countries. This year's Advisor is Tom Black and the officers are: President, Robert Johnston; Vice-President, Carol Login and Secretary, Gary Louie. Everyone in school is welcome to join A.F.S. and we invite any interested people to join us.

Standing: Mr. Black, Gay Myles, Jenny Zaharson, Liz Childs, Stephanie Burks, Tim Burks, Sherri Murakami, Kim O'Neal, Susan Bellvomini, Jeanette Lefeu, Carol Login, Cherie Racicot, Karen Shelnut. Kneeling: Gary Louie, Darkson Fonseca, Carmen Carvalho, Saskia Estupinan, Silvia Aleaga, and Bob Johnston; President.

By meeting new people and living with them, I've learned to appreciate the real meaning of life, and friendship. I would like to thank all of you for sharing with me this experience. This year will always be in my thoughts. I will always remember Simi Valley and the people that live in it. Now I feel more secure about myself having become more aware of the responsibility that goes along with being a citizen of a country. I'm looking toward the future, perhaps with too much idealism, but I hope I can help to make this world a better place in which to live.

Promoting Scholarship for Service

The California Scholarship Federation is an organization designed to promote scholarship for service. C.S.F. this year has sold tickets at athletic events and has provided tutoring. C.S.F. also sponsored a mistletoe sale and has future plans for a school film festival. Mr. Don Cameron is C.S.F. advisor. Officers include Rosalind Gold, President; Don Larson, Vice-President; Dave Morrison, Treasurer; and Nancy Dewart, Secretary.

Standing: Martin Oliver, David Morrison, Donna Billeter, Scott Franchino, Gary Louie, Tim Burks, Theresa Davidson, Mike Hall, Rick Van Zant, Sarah Davidson, Ed Hoff. GIRLS' LEAGUE

Tradition . . . Flowers and Formals

Girls' League is an organization for all girls. We started the year off by having an orientation dinner at the Pizza Palace. We entered a homecoming float and won the theme prize. As a tradition we give flowers to the football and basketball teams on Homecoming Day. The highlight of our activities this year was the Christmas Formal. The dance was exceptionally well attended, and had beautiful decorations. This year the Girls League President was elected Queen. The Senior Breakfast initiated and sponsored by the Girls League, was our final activity and very successful.

Standing: Teri Olivas, Chris Stauber, Debbie Weyenberg, Kittie McMullen, Sandy Mazza, Melanie Sanders, Kathy Bratt, Carole Harmon, Bonnie Arnold, Mrs. Landis, Pat Lynch, and Sherry Green. PONY EXPRESS

No News is Bad News

Standing: Mrs. Stout, George Estralla, Bill Inglot, Pat White, Rusty Waters, Tom Highland, Kevin Reardon. Sitting: Rosalind Gold, Shannon Seman, Ingrid Arns, and Tressie Taylor.

If problems could be synthesized into talent, there would be no shortage of actors and playwrights, but a dirth of people to watch them. Problems abound and talent is lacking, but the Pony Express goes on and on, waging a constant battle against ignorance and wishing to improve the paper as well as its readers. But improvements don't come easily. The things that were obviously improved were circulation and frequency of publication. Improvements in quality of writing were not so obvious, in spite of occasional sparks of brilliance. The Pony Express this time around was the epitome of all high school papers, good to a point.

PIONEER LEAGUE

Great Balls of Fire!

The Pioneer League, commonly known as the bowling club has had a very successful year. The club was divided into two separate clubs; one each semester so that new members would be able to join easily. At the end of each semester, trophies are awarded to 1st and 2nd place teams, High Team series and game, High Girl's and High Boy's game, series, and average, and last but not least, one trophy is awarded to the bowler who has improved the most throughout the semester. The club meets once a week after school at Simi Bowl and we all have a lot of fun.

Second Semester: Standing: Jim Baumgart, Chris Lyon, Gil Vivieros, Paul Roth, Dave Boucher, Paul Sessler, Dean Meginniss, Dave Riewer, Mr. Edwards. The Simi Valley High School Pioneer Drill Team consists of a group of girls with a similar interest, who perform dance, drill or novelty routines that are performance oriented and require the members to learn special skills within specific periods of time. This activity is conducted with a high degree of student leadership. This year proved to be an exciting and productive one. The effect of new uniforms which were funded by the girls themselves allowed them to return from parades with perfect scores in that area. Their outstanding talents pleased audiences as they performed in shows such as football halftime, "West Side Story," and basketball halftime, "Hi! Neighbor." And yet, as Inspiration Girls, they warmed the hearts of many.

The Marching Band, for the seventh consecutive year, competed successfully in many competition parades. An important sweepstakes was recorded at the Ventura County Fair Parade held each year in early October. This was the second year in a row that the band won this parade, which has with it the title of Ventura County Champion. The Band and Letteretts also perform at all home football games doing shows that range from shows on traveling to shows whose theme is West Side Story. Most members also support the school's football team by traveling to the away football games. The group further supports the school by forming a pep band that performs at all home basketball games and most assemblies. The philosophy of the group is success through musicianship, pride, discipline, and a desire to compete

against perfection. Parades such as the Santa Monica "El Primero" Band Review and the Long Beach All-Western Band Review send the name of Simi Valley and Simi Valley High School to all points of Southern California.

This year the band's fund raising activities, spearheaded by the Simi Valley High School Music Boosters Club, resulted in the purchase of 100 new band uniforms. The very beautiful and expensive uniforms, seen in the large group pictures, were worn only twice this year; first at the Camarillo Christmas Parade and then at the Simi Valley Pioneer Days Parade.

Any group as large as the Marching Band needs leadership within it to be successful; this year seniors had all the qualities and gave us tremendous leadership; they'll be missed.

CONCERT BAND

Superior Sound

The Instrumental Music Department is one of the busiest and most successful on the campus. The Concert Band, Concert Orchestra, and Wind Ensemble participate in a minimum of three concerts, three assemblies and two festivals per year. The Wind Ensemble, composed of thirty-five very fine players in the department, has never received a rating other than superior at a festival in its six years of existence. The Concert Band this year is one of the largest concert groups the school has known. Numbering over seventy, the group has also received superior ratings for the past six years. The Orchestra has also received superior ratings at recent festivals. Membership in the band and orchestra is based upon desire and consent of the instructor. Membership in the Wind Ensemble is based upon selection and audition by the instructor. Most years, including this one, culminate in a tour to some point in California. This year the Instrumental groups traveled to Cal-State University, Fullerton to participate in a regional music festival and continued to San Diego to perform concerts in that area. Mount Miguel High School was the sight of one such concert with Mount Miguel traveling here the following week to share our Spring concert. Other voluntary groups in the Spring include Stage Band, performing everything from swing to rock to jazz, basketball pep band, and various instrumental ensembles that meet and rehearse on the students' own time. The Instrumental Music Department wishes to congratulate and thank all eighteen seniors who participated in the activities of this year. Best of luck to you all.

THE CONCERT CHOIR

Our Best Year

Mr. Trerise has been directing the Concert Choir at Simi Valley High School for six years, and admits that this year has been one of the best. During the first few months of the year, this group rehearsed and eventually performed several popular songs, including selections from *Godspell*. Then, after relaxing during the Christmas months, they traveled to the Idylwild School of Music and the Arts where they worked and sang and enjoyed the beauty of the outdoors. The Spring semester brought festival attendance, Potpourri, and, this year for the second time, the Concert Choir has been invited to perform at Disneyland.

THE CHAMBER CHORAL

The Elite . . .

A new choral has been added to the Simi Valley High School Choral Music Department this year. The Chamber, composed solely of Juniors and Seniors who are serious in their study of music, have presented many fine classical pieces this year, including the Hallelujah Chorus from Handel's Messiah and the Hallelujah from Beethoven's "Mount of Olives." Mr. Trerise feels that this group has been a success and hopes to continue with them next year.

This year heralds the largest Glee Club that Simi Valley High School has ever had. The girls worked very hard to present a fine Christmas Concert and assembly and then anxiously awaited the Thousand Oaks Glee Club Festival that they attended in March, and Potpourri in May.

THE GIRLS' GLEE

Loveliness in Harmony

THE MADRIGALS

Dedication to Song

This group of selected singers has worked very hard this year, rehearsing at lunch and in the evenings to be at their best come performance time. They have sung for many community organizations and churches, as well as performing at almost every concert and assembly that the Music Department has hosted this year.

Helena Rankin, Alice Jonczak, Dale Himebaugh, Tim Cooley, Grant Tomerlin, Dave Bauer, Greg Cox, Alan Rose, Carol Young, Ray Verdugo, Melanie Gallagher, Mr. Gene Trerise. Not Shown: Shelly Ganowsky, Linda Smith, and Michele Pegg.

THE BARBERSHOP CHORUS

A Touch of Nostalgia

The Barbershop Chorus was first organized for the purpose of combining with the Southern California Barbershop Chorus, a group that was formed to sing at the Music Educator's Convention in March. However, the enthusiasm of the singers prompted Mr. Trerise to conduct afternoon rehearsals to prepare them for performance along with his other groups. Also sprung from this group is "Four on the Floor," the men's quartet, with Tim Cooley singing lead, Greg Cox on first tenor, Don Larson singing baritone and Dale Himebough on bass.

Top Row: Bob Johnston, Don Larson. Second Row: Bruce Mathews, Steve Jensen, Randy Ward, John Evans, Al Rose, Kevin Cox, Tim Cooley, Greg Cox, Ed Fuller, Grant Tomerlin. Front Row: Ron Rosen, and Dale Himebaugh.
